# A Message from Fr. Angelito

Dear Friends in Christ,

## SIXTEENTH SUNDAY IN ORDINARY TIME

Since ancient times, hospitality, the willingness to open homes and share food with visitors of all kinds, friends, and strangers, especially those in need—has been an essential part of Middle Eastern culture. It is also a basic, practical doing of love. This profoundly human way of friendship is the heart of how God comes to people in today's readings.

In the Old Testament reading today, for Abraham and Sarah, their hospitality to the mysterious visitors marks a turning point in their lives, as the gift of child the couple thought they could never have has been promised. A whole people are born from this simple act of welcoming strangers and tending to their needs.

For Martha in today's Gospel, the great gift of receiving Jesus into her home is a blessing and a challenge. Perhaps Martha's difficulty, as far as Jesus is concerned, is that she forgets something that lies at the heart of all our practical care. When we cook for guests, welcome people into our homes, and share a bit of our lives with them, the danger is that the "stuff" of our caring becomes the focus rather than the person we welcome. Sometimes it may be food, drink, and practical actions of caring that are precisely what is needed. But very often, what is just as important, if not more so, is a friendly, personal welcome and an ear to listen. It's easy for this to become neglected among all the practicalities.

Our world today is one in which hospitality is much needed. Let's look at our cities and towns. We can see the loneliness that is so often found there: for example, in the elderly, housebound, or disabled people who may see hardly another person from day to day, week to week; or in the homeless people whom we pass on the street. For many people, such feelings of loneliness were experienced or exacerbated by times of enforced isolation during the Covid-19 pandemic. If we look further afield, we can see the refugees leaving behind and fleeing war, oppression, and suffering, the many thousands of displaced people of our time, desperate to find a place of welcome and safety. Wherever we look, there is a call to share and befriend. And what is often needed above all is a listening ear to hear their stories.

This call is also a challenge, as it was for Martha. Genuine hospitality lies in meeting the person whom we welcome. We need to learn to sit still with those we are called to care for, listen to them, and let them know they are heard. Too often, our fretting over "so many things" may get in the way of genuinely caring. But if we can keep the love of and watch for the person central, our moments of generosity and hospitality will also be moments of meeting God. Then we will take our place at the table in communion with the divine Trinity. Amen.

May God bless you,

Father Angelito

## Saint of the Week

Saint Bridget or Birgitta was born in 1303, the daughter of Birger Petersson, governor of Uppland and his wife Ingeborg Bengtsdotter. She was married to Ulf Gudmarsson, who became governor of the province of Nericia. They had eight children, all of whom survived past infancy which was rare for the 12th century. One of their daughters would become St. Catherine of Sweden.

Saint Bridget was hailed as a mystic and her visions, which began in her early childhood when she had visions of Christ Crucified, made her somewhat of a Middle Ages celebrity. Her vision of the Nativity of Jesus even influenced the art of the Nativity through the Baroque era! She is said to have predicted the Vatican State. Saint Bridget's Revelations, which she dictated to Peter Olafsson, the prior at the Cistercian monastery of Alvastra near which she retired after her husband's death in 1344, were published in 1492. They have since been published in many languages and can still be purchased today.

Some of her most profound visions regarded the founding of a new religious order which would be primarily for women, ruled by an abbess, but with a separate house for monks who would serve as order chaplains. Her visions detailed everything from the abbey church to the clothing that would be adopted as the nun's habit, and how the order would be ruled. King Magnus II of Sweden granted Bridget land and buildings. The order, called the Bridgettines or the Order of the Most Holy Savior was approved by Pope Urban V in 1370. Saint Bridget was canonized in 1391 by Pope Boniface IX and in 1999 Pope John Paul II named her one of the Patron Saints of Europe.

## WHY DO WE DO THAT? Catholic Life Explained:

### Question:

This time of year, I attend a lot of weddings. Why do Catholic weddings need to take place in a church?

### Answer:

Technically, there is a clause in Church law that could allow for weddings to take place outside of a church, in a suitable space under special circumstances, but it requires the rare permission of the bishop. But the meaning of marriage goes very, very deep, and the Church has a vested interest in protecting that meaning. As Catholics, we don't see a wedding as an event that needs a pleasing backdrop.

Marriage is a sacrament, both an occasion of joyful promise and symbolic solemnity. It is a spiritual event. The loving bond of marriage symbolizes the mystical union between Christ and his Church. The man and woman profess lifelong vows of fidelity, and they receive supernatural grace from God to keep their promises. Receiving the sacrament of Marriage in a church has broader symbolic meaning for the couple as well. Marriage isn't simply two people in isolation from the world around them. Marriage is the joining of families and the beginning of a new, holy mission in the life of the couple. Weddings are sacred occasions, and it's fitting that they occur in sacred spaces.

## RESPONDING *to the Call*

### EVERYDAY STEWARDSHIP

#### Recognize God In Your Ordinary Moments

##### Be Ready for God to "Stop By"

In my experience, most people can be divided into two groups: those who are old enough to remember when you kept food on hand for company, and those who aren't.

For those of you in the latter group, let me explain. Before text messaging and social media made us all unconditionally, mercilessly reachable, people would do this thing called "stopping by." They would be passing by a friend's house, maybe on the way home from work or shopping, and they would just ... stop. With no warning. No notice whatsoever. "I was just in the neighborhood," they would say. I remember my mother and I would do this on many a Saturday. It wasn't an everyday occurrence, but it was common enough that you had to be ready.

"Crazy," you might exclaim. "People just appeared on your doorstep? How did you cope with the uncertainty?" Well, most of us had moms who kept a little something on hand to eat or drink that was extra nice, just in case anyone stopped by. That way, we were always ready.

Today's readings are about a lot of things: prayer, hope, redemptive suffering. They're about what it means to be a Christian, and not just what it means to do Christian things.

Most of all, though, they're about readiness. If God showed up at your door, would you be ready for Him? Would you be ready for what He gives you, or what He takes away? Would you be ready for Him to interrupt the plans you have for yourself? To disrupt the idea you carry in your mind of what a servant or a steward is supposed to be?

Read your Bible. Say your rosary. Go to Mass. Get to Confession. Talk to God — every day, not just when you think you need Him. That way, you are always ready.

— Tracy Earl Welliver, MTS

### PALLOTTINE FATHERS & BROTHERS' MISSION APPEAL - JULY 30 & 31

The Society of the Catholic Apostolate, commonly known as the Pallottine Fathers & Brothers, is an International Religious Community of Priests & Brothers serving the missions in over 59 countries. This was founded in 1835 by St. Vincent Pallotti, a Roman

diocesan Priest to revive faith & rekindle charity among all & he called everyone to be an apostle of God's love & mercy. "Love of Christ urges us all" was his motto. The Pallottines work mostly in mission countries & the Pallottines in Milwaukee, WI, support the missions in India & Zambia, Africa. They bring the good news of God's love & salvation to the poor people in remote interior areas where there are no modern facilities by providing them the basic necessities of life as well as educating poor children in the villages as they share the Gospel of Christ. They run several parishes, boarding schools, orphanages, Clinics, technical institutes, self-employment programs for poor women in the villages as well as do various other socio-charitable works for the poor & needy. Their missions in India & Zambia are really growing & there is so much need in these missions & your generosity however small can make a difference to these people & bring them much hope and joy. You too can be an apostle!

Thank you for your support & may God bless you. —Mission Coordinator

### **REASONS WHY TO REGISTER IN THE PARISH**

Registration is the official way we join a parish community. Some people think that because they attend a particular parish they automatically belong.

Registration is a commitment to community, a way to be included in the religious, social and ministerial activities of the parish. Registration shows you belong. It is also necessary for certain benefits and administrative purposes, like scheduling sacraments, obtaining a Sponsor/Godparent Certificate and Letter of Eligibility, and donation statements for your income tax returns. Most importantly, it lets the parish count on you, to call on you to assist in its mission.

Registering in the parish is simple. It just requires signing up, formally enrolling yourself by contacting the Parish Office. Young adults 18 and over who are still living at home with their parents, or attend college, are recommended to register in their own name. Thank You.
