2013 - 2014 projects

- Listed below are just some of the projects that were completed over the past year.
- The entire outside of the church was power washed
- The non-brick portion of the church was re-stained
- New fascia installed in areas above the entrance
- The entire roof was cleaned and washed
- Flowers were planted outside the church at the entrance way where you enter the church and along the front.
- The entire church complex including the hall was rewired for Wi-Fi
- Installed a new shed at the rear of the church to house outside equipment
- We are looking for volunteers for some of the upcoming projects we have
