*Seven and a half years ago the Knights of
Columbus Councils and Assemblies in the Trenton
Diocese under the direction of State Council
Secretary Jim Stoever, and managed by the
Diocesan Federation of Knights, initiated a
program that pays the transportation costs of
active duty military personnel to return home for
Christmas. Our primary focus is the joint base of
McGuire/Dix/Lakehurst given their large
population of service personnel. But also included
are the Navy, Coast Guard & Marines. We work
with the base Chaplains, Officer's & NCO's in
identifying recipients. The only restriction for
applicants is their rank can be no higher than an
E3 – junior enlisted personnel. The program has
been an overwhelming success as has been the
outpouring of thanks and appreciation from the
men and women we have sent home. Over
\$300,000 has been donated over the past seven
years. This has enabled us to purchase round trip
bus, train and plane tickets for 585 Airmen,
Sailors, Coast Guard and Marines who would not
have been able to get home for Christmas without
our help. Brothers, please consider petitioning
your Councils, Assemblies, parishes, neighbors
and friends to help us to continue providing truly
great gifts to these Heroes and their families. A
great way to fulfill our patriotic pledge! As
Knights, we care for our retired veterans and our
wounded warriors, but let's not forget the men and
women who stand for us every day!*
